Council At Large

November 1, 2007

Charleston City Council

Re: City Employee Committee

Ladies and Gentlemen:

Pursuant to the Rules of Council, Jack Harrison as Majority Leader, Bobby Reishman as Minority Leader, and myself as President have appointed the following to serve on the Committee for City Employees:

Mike Clowser, Chairman
Jerry Ware, Vice Chairman
Cubert Smith
Bobby Reishman
Mose Lanham
Harry Deitzler
Greg Burton

This committee was originally created in the early 1990s to provide a forum for city employees to provide ideas for improvements and to discuss any problems with employment directly with members of City Council. We believe this committee will serve with distinction.

Very truly yours,

J. Thomas Lane
