

PLUMBING PERMIT FEES
Effective January 1, 2001

The following fees shall be charged for inspection by the Building Commissioner for all new plumbing and drainage in any building hereafter erected. All fees are to be paid to the Building Commissioner by the contracting plumber and the receipt issued shall be the contractor's certificate of guaranteed inspection.

PLUMBING FIXTURES	FEE
Fee for plumbing inspection where fixtures are to be installed, per fixture up to and including first 5 fixtures (New or Replacement)	\$5.00 each
Additional fixtures, each	\$2.00
Water Heaters	\$8.00
Where old rough-in plumbing fixtures are changed or relocated	\$10.00
Additional Inspection Fee for more than two inspections, in addition to the regular fee	\$8.00 each
Each re-inspection due to faulty work	\$10.00
Boilers less than 15 lb. pressure	\$25.00
Boilers 15 lb. or more pressure	\$30.00
Gas piping and any work not listed shall be based upon the cost of construction. (See building fee schedule)	-
